**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We get our internet service from a small ISP and get outstanding service. We have used both AT&T and Comcast in the past with less favorable results: more expensive, inconsistent service and slower speeds

Please do not deregulate this or small ISPs will be priced out of existence by large monopolies that have little concern for individuals and providing the highest quality product

Thank you

Mayre Vincent
